Self-Prop Combines	414	531	-22.0	1,068	1,074	-0.6	1,159

These data are, in part, estimates that are subject to revisions when final detailed data become available. Because of the seasonal nature of the industry, comparisons of monthly data from one period to another should be done with extreme caution. These data represent the machines in each product category being sold at retail in the fifty states and District of Columbia by most, but not all, of the manufacturers.
