Self-Prop Combines	111	227	-51.1	527	601	-12.3	680

These data are, in part, estimates that are subject to revisions when final detailed data become available. Because of the seasonal nature of the industry, comparisons of monthly data from one period to another should be done with extreme caution. These data represent most, but not all, of the manufacturers in each product category being sold at retail in Canada.
